

How to use the Cerego App

1. Access Cerego via your ConnectEd account as usual
2. Click on “Go Mobile” on the upper right hand corner

3. Enter an email and choose a password

The screenshot shows the Cerego app's login screen. At the top, it says "Learn anytime, anywhere. Get Cerego for iOS or Android" with a subtext: "Having mobile access increases accuracy and overall retention of study material according to our studies". Below this, a section titled "But first..." states: "To access this material on the Cerego app, you must sign in using the email connected to your Cerego account, and set a Cerego-specific password". There are two input fields: "Email Associated with Your Cerego Account" and "Cerego Account Password". A "Show Password" checkbox is located below the password field. At the bottom, there are "Cancel" and "Save Login Details" buttons.

4. Download the Cerego app to the device of your choice
5. Log in using the above email address and password
6. Enjoy Cerego on the go!
